The employer agrees to provide to workers referred through the clearance system the number of hours of work per week cited in Item 11 of the clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need by so notifying the Order-Holding Office (OHO). The employer may require workers to perform alternative work if the guarantee is invoked and if such alternative work is stated on the job order.

The employer agrees that no extension of employment beyond the period of employment shown on the job order will relieve the employer from paying the wages already earned, or specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker's home.

The employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws.

The employer agrees to expeditiously notify the OHO or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment.

The employer, if acting as a farm labor contractor, has a valid farm labor contractor registration certificate.

The employer assures the availability of no cost or public housing which meets applicable Federal and State standards and which is sufficient to house the specified number of workers requested through the clearance system.

The employer also assures that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107.
